

Welcome to the Wednesday Night Ladies League!

This year we have 19 teams, which will be divided into three flights each week based on scores for that round.

League Format:

- Starting time is **EXACTLY 5:10 p.m. SHARP**. If your entire team is not present at your designated tee time, you must tee off regardless. Realize that another team is counting on your participation and the sub list is available to avoid forfeits.
- Please use the Women's League scorecards only.
- We cannot stress enough the importance of pace of play. Please keep up with the group in front of you. If pace of play is an issue we will be forced to implement stricter rules for the second half of this golf season and add additional bye weeks to each team in the following years.
- If your team and the team you are playing would like to start early, you may do so. However, it is imperative that you are on your assigned tee box at your designated tee time. If this becomes an issue, we will have to stop early play.
- 3-Person scramble
- Teams will start on their designated holes. Hole assignments are at the top of the weekly schedule.
- Play any tee shot. There is no minimum tee shot requirement.
- Tally scorecards at the end of the match. Please provide your total score and keep track of your putts on ALL golf nights!
- Turn scorecards into the basket as quickly as possible. After collecting all of the scorecards, the committee will flight the scores and identify the winning team for the night based on the game of the night. Each flight will receive \$15 in prize money. In order to be eligible to win at least one member of the team must be present in the clubhouse. If a member of the team is not present, the prize money will go to the second place winner, and so on.
- Scorecard playoffs will start with Hole #1 and go backwards. For example, Hole #1, then Hole #9, Hole #8 and so on.
- Each team is responsible for finding their subs. If a team cannot find a sub, you may play with two people, but you do not get a third shot. In addition, a team may even play with one person but that person would only get one shot. Members on a regular golf team may not sub for other teams.
- **SUBS MAY NOT PLAY IN PLAYOFFS.**
- One team member must be present for a team to play, otherwise the night is forfeited. If a team forfeits, their score for the night will be your highest score of the night plus three strokes.
- BYE WEEK- Every team will have a bye week. Because of how full the league is, we ask you not to play on your bye week but please join us in the clubhouse after! For your bye week, your team will receive a "0" for your score.
- League will not be cancelled unless it is lightning, pouring, or in extreme cold temperatures, and will be decided by the league committee. Please check with the clubhouse or the HCC Ladies League Facebook page for cancellations. You are welcome to come out anyway, as we will still have dinner.
- Do not keep track of birdies or chip-ins.
- The schedule and the list of teams will also be available on the website. www.hccgolf.net Scores will also be posted on the website when available.
- Team rosters are final by practice night. You will not be allowed to add any members to your team during the season. A new player may join the sub list and sub for your team but their contact information will be provided to the entire league as well.
- League will begin on May 7th and ends on August 27th with a playoff night and banquet.
